

## Challenge Name: Yowai Mo

### Description:

The writer of this question loves anime. Many of you must be knowing Naruto. You will get your answer from one of the best friend and also the most formidable enemies of Naruto. He has many wide ranges of attacks. just find out the literal meaning of hand signs of one of his most powerful attack.

### Difficulty: Medium

**Author:** Sharvil Nichat

## Writeup

---

1. Sasuke is the only best friend and most formidable enemy of Naruto and his most powerful attack is **Chidori**.

2. Chidori's hand signs are the password to the encrypted steganographic file i.e. **(monkeydragonratbirdoxsnakedogtigermonkey)**.

**Steganographic Decoder**

This form decodes the payload that was hidden in a JPEG image or a WAV or AU audio file using the [encoder form](#). When you submit, you will be asked to save the resulting payload file to disk. This form may also help you guess at what the payload is and its file type.

**Select a JPEG, WAV, or AU file to decode:**  
 img.jpg

**Password (may be blank):**

☒ View raw output as MIME-type   
☐ Guess the payload  
☐ Prompt to save (you must guess the file type yourself.)

---

To use this form, you must first [encode a file](#).

These pages use the [steghide](#) program to perform steganography, and the files generated are fully compatible with steghide.
