CHALLENGE NAME – NBA VISITS ARE DAMN FRUSTRATING

AUTHOR – NAMAN CHORDIA

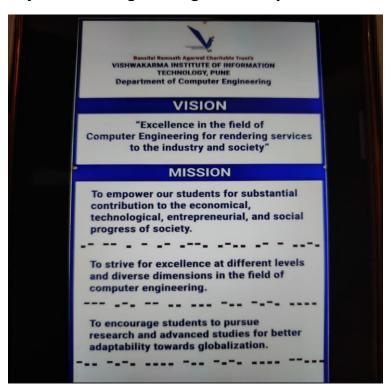

CATEGORY- OSINT

DIFFICULTY- MEDIUM

CHALLENGE DESCRIPTION- Somewhere a directory exists which contains those freaking missions of my college. Help me find it out with something more in it. Just dig in how much you can.

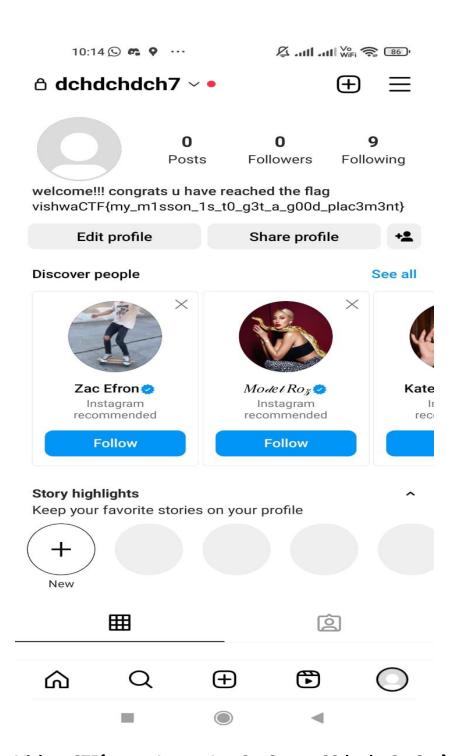

WRITE UP

somewhere a directory exists which contains those freaking missions of my college help me find it out with something more in it. This directory is nothing but our college's location in google maps where all photos can be accessed from different directories present in google maps. In the directory of journel of Engineering research you will find this pic

This is the missions page of our college. In the image you will find a morse code and after converting it into text, the text says - A meta platform exists as dchdchdch7. Bio of the instagram account consists of the flag:
